- [Baptist Academy](#): Assistant Financial Secretary of the [Literary & Debating Society](#). Second position in the form 1, evening examination; played field hockey for the school; Inter house sport junior sprint, 100 meters - second position to Olakunle Braimoh; 200 meters, fourth position
- Abati Nursery and Primary School: First position in the last year of primary school, primary five, examination

## JOB DESCRIPTIONS

### [Ephraim Technologies](#) Software Engineer (January 2000 to Present)

- Convert FoxPro order management application into C# ASP.NET AJAX.
- The user interface consists of the structure [HTML](#), behavior (JavaScript), presentation [CSS](#).

- Achieve re-use, efficient queries, mitigate the risk of SQL injection by writing stored procedures and user defined functions.

### **Reel.com Database Administrator (January 1999 to December 1999)**

- Administer database for replication, software release, performance tuning and load balancing.
- Internet traffic analysis.

### **International Gaming Technology Database, Network, and System Administrator (December 1997 to January 1999)**

- Administration for up-to seventy local area network (LAN) sites that are connected together to form a wide area network (WAN).

### **Westpac Banking Corporation Contract Consultant (May 1997 to December 1997)**

- Develop value systems - these systems process assets, access risks, monitor credit, and prepare report for internal and external monitoring requirements.
- Applications include Investment Risk Management and Tactical Asset Allocation.

### **Case Corporation Contract Consultant (April 1997 to May 1997)**

- Develop marketing and sales application for analysis and how-to achieve better results.
- Convert database from Sybase 10 to Sybase SQL Anywhere.
- Replicate data between central and remote locations using Internet messaging services.

### **Macquarie Bank Contract Consultant (December 1996 to March 1997)**

- Develop mortgage system; focus on product changes and payments.

### **Credit Reference Association of Australia (CRAA) Contract Consultant (July 1996 to November 1996)**

- Develop application that will facilitate public access to credit information.
- Track inbound and outbound documents.
- Workflow will delegate tasks to personnel based on roles, availability, work load, and expertise.

### **Western Sydney Area Health Service Contract Consultant (May 1996 to July 1996)**

- Design data warehouse application that will present information from multiple database sources.
- Data source include Oracle, Sybase SQL Anywhere, and text files.
- Use OMNI Gateway to collate data.

### **Department of Training and Education Committee (DTEC) Contract Consultant (February 1996 to May 1996)**

- Design and develop workflow application for processing of trainee and apprenticeship program.

## **Electronic Data Systems (EDS) @ Westpac Banking Corporation Contract Consultant (October 1995 to February 1996)**

- Replicate database between central (Informix) and remote locations (Sybase SQL Anywhere).

## **Sybase/Powersoft First Powersoft Australia Consultant (March 1995 to October 1995).**

- Advise clients on how-to use software for developing distributed applications.

## **Metal Manufactures (MM) Contract Consultant (July 1994 to January 1995)**

- Analyze [Fujitsu](#) mainframe systems.
- Convert legacy systems into client-server infrastructure.

## **Wilson Market Research MLI Software Engineer (November 1993 to June 1994)**

- Match products and services with advertisements.

## **Information Dialling Services (IDS), White International Software Engineer (February 1992 to October 1993)**

- Design and develop information services, telephony, interactive voice response (IVR), 0055, using [Telsis](#).
- Prior to joining IDS, I worked at, Headquarters Military Training Command, Suakin Drive.

## **OTHER WORK SUMMARY**

- [Daigaku Honyaku Center \(DHC\)](#) by [Crystal Rothberg](#)
- [Baynet World](#)
- [Netwoven@ OSIsoft](#)
- [Sonic Eagle](#)
- [ClickStream Technologies](#)
- [Loan Performance](#)
- [Union Bank of California \(UBOC\)](#)
- [ExpressAction](#)
- [Avantcom Networks](#) by [Flansbaum, Hamilton & Grey, Inc](#)
- [Charles Schwab](#)
- [Arthur Andersen @ Warner Music](#)
- [National Communications](#) using [Dialogic](#)
- New Century Video Pty Ltd with Paul and Kerry Watson

## **Nigeria Work Experience**

- [Guaranty Trust Bank](#) using [American Express \(Amex\) Standard Banking System \(SBS\)](#), [Nantucket Clipper](#)
- Dalam
- [Union Bank of Nigeria \(UBN\)](#) [Santa Cruz Operation \(SCO\)](#) [Xenix](#)

- [Saap-Tech C](#), [Nantucket Clipper](#), [Tagged Image File Format \(TIFF\)](#)

## EDUCATION SUMMARY

|  |  |                   |
|--|--|-------------------|
| <a href="#">University of Wollongong</a>                             | Doctorate candidate – Internet Commerce  | Commenced<br>1997 |
| <a href="#">University of Technology, Sydney</a>                     | Masters in Computer Information Science  | Completed<br>1995 |
| <a href="#">University of North Carolina, Charlotte</a>              | Bachelors in Electrical Engineering Technology - Computer Emphasis   | Completed<br>1988 |
| <a href="#">Central Piedmont Community College (CPCC), Charlotte</a> | <ul style="list-style-type: none"> <li>• Associates in Electronics Engineering Technology</li> <li>• Associates in Computer Engineering Technology</li> <li>• Associates in Electrical Engineering Technology</li> <li>• For three years, I worked as a tutor, in the computer laboratory</li> <li>• One of the top 5 community colleges in the U.S., at the time of enrollment</li> </ul> | Completed<br>1986 |

## SKILLS SUMMARY

- [Doctoral Dissertation](#)
- [Skill](#)
- Object-Oriented practitioner, multi-tier architecture - separate the user interface (UI), business, and database logic
- Program Language: C#, [C++](#), C, [Visual Basic](#), [Java](#), [Go Language](#), PowerBuilder
- Script Language: ASP, ASP.NET, [JavaScript](#), [Python](#), [R Language](#), [PowerShell](#), [GraphQL](#), PHP, Ruby
